

## SAFETY DATA SHEET

## Bluepeak All-Season Windshield Washer Fluid -20°F

US format sample. Hazard statements shown without codes.

## SECTION 1: IDENTIFICATION

|                               |                                                   |
|-------------------------------|---------------------------------------------------|
| Product Name                  | Bluepeak All-Season Windshield Washer Fluid -20°F |
| Other means of identification | BP-WWF-20                                         |
| Supplier                      | Bluepeak Consumer Products Co.                    |
| Address                       | 9 Mockingbird Way, Sampleton, ST 00000            |
| Emergency phone               | 555-0118 (fictional number)                       |
| Revision date                 | 02/14/2023                                        |

## SECTION 2: HAZARD(S) IDENTIFICATION

|                |                   |
|----------------|-------------------|
| Classification | Sample text only. |
| Signal word    | Danger            |

## Hazard statements

Highly flammable liquid and vapor.

Toxic if swallowed, in contact with skin or if inhaled.

Causes damage to organs (eyes, central nervous system).

Hazard pictograms: Flame, Skull and crossbones, Health hazard

## Precautionary statements

Sample text only. A real sheet lists the precautionary statements here.

## SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

| Ingredient          | CAS No.  | Weight % |
|---------------------|----------|----------|
| Sample ingredient A | 000-00-0 | 40-60    |
| Sample ingredient B | 000-00-0 | 10-30    |

## SECTION 4: FIRST-AID MEASURES

Sample text only. A real safety data sheet gives the manufacturer's first-aid measures information here. This fictional sheet exists only to show how a binder is put together.

## SECTION 5: FIRE-FIGHTING MEASURES

Sample text only. A real safety data sheet gives the manufacturer's fire-fighting measures information here. This fictional sheet exists only to show how a binder is put together.

## SECTION 6: ACCIDENTAL RELEASE MEASURES

Sample text only. A real safety data sheet gives the manufacturer's accidental release measures information here. This fictional sheet exists only to show how a binder is put together.

## SECTION 7: HANDLING AND STORAGE

Sample text only. A real safety data sheet gives the manufacturer's handling and storage information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION**

Sample text only. A real safety data sheet gives the manufacturer's exposure controls/personal protection information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES**

Sample text only. A real safety data sheet gives the manufacturer's physical and chemical properties information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 10: STABILITY AND REACTIVITY**

Sample text only. A real safety data sheet gives the manufacturer's stability and reactivity information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 11: TOXICOLOGICAL INFORMATION**

Sample text only. A real safety data sheet gives the manufacturer's toxicological information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 12: ECOLOGICAL INFORMATION**

Sample text only. A real safety data sheet gives the manufacturer's ecological information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 13: DISPOSAL CONSIDERATIONS**

Sample text only. A real safety data sheet gives the manufacturer's disposal considerations information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 14: TRANSPORT INFORMATION**

Sample text only. A real safety data sheet gives the manufacturer's transport information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 15: REGULATORY INFORMATION**

Sample text only. A real safety data sheet gives the manufacturer's regulatory information here. This fictional sheet exists only to show how a binder is put together.

**SECTION 16: OTHER INFORMATION**

|                      |                                    |
|----------------------|------------------------------------|
| <b>Revision date</b> | 02/14/2023                         |
| <b>Prepared by</b>   | Sample regulatory team (fictional) |

This is a fictional sample made to demonstrate a binder service. It is not a safety data sheet and must not be used for any product.
