

# IRONVALE LUBRICANTS

Safety Data Sheet

## Ironvale Synthetic Motor Oil 5W-30

### 1. IDENTIFICATION

|                 |                                       |
|-----------------|---------------------------------------|
| Product name    | Ironvale Synthetic Motor Oil 5W-30    |
| Product number  | IV-530-Q                              |
| Recommended use | Sample text only                      |
| Supplier        | Ironvale Lubricants LLC               |
| Address         | 7 Sample Road, Exampleville, ST 00000 |
| Emergency phone | 555-0155 (fictional number)           |
| Revision date   | 11/22/2024                            |

### 2. HAZARD(S) IDENTIFICATION

|                   |                                           |
|-------------------|-------------------------------------------|
| Classification    | Not classified as hazardous (sample text) |
| Signal word       | None                                      |
| Hazard statements | None                                      |
| Pictograms        | None                                      |

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

|                 |                  |
|-----------------|------------------|
| Sample base oil | 000-00-0 70-90 % |
| Sample additive | 000-00-0 10-30 % |

#### 4. FIRST-AID MEASURES

Sample text only. A real safety data sheet gives the manufacturer's first-aid measures information here. This fictional sheet exists only to show how a binder is put together.

#### 5. FIRE-FIGHTING MEASURES

Sample text only. A real safety data sheet gives the manufacturer's fire-fighting measures information here. This fictional sheet exists only to show how a binder is put together.

#### 6. ACCIDENTAL RELEASE MEASURES

Sample text only. A real safety data sheet gives the manufacturer's accidental release measures information here. This fictional sheet exists only to show how a binder is put together.

#### 7. HANDLING AND STORAGE

Sample text only. A real safety data sheet gives the manufacturer's handling and storage information here. This fictional sheet exists only to show how a binder is put together.

#### 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Sample text only. A real safety data sheet gives the manufacturer's exposure controls/personal protection information here. This fictional sheet exists only to show how a binder is put together.

#### 9. PHYSICAL AND CHEMICAL PROPERTIES

Sample text only. A real safety data sheet gives the manufacturer's physical and chemical properties information here. This fictional sheet exists only to show how a binder is put together.

## 10. STABILITY AND REACTIVITY

Sample text only. A real safety data sheet gives the manufacturer's stability and reactivity information here. This fictional sheet exists only to show how a binder is put together.

## 11. TOXICOLOGICAL INFORMATION

Sample text only. A real safety data sheet gives the manufacturer's toxicological information information here. This fictional sheet exists only to show how a binder is put together.

## 12. ECOLOGICAL INFORMATION

Sample text only. A real safety data sheet gives the manufacturer's ecological information information here. This fictional sheet exists only to show how a binder is put together.

## 13. DISPOSAL CONSIDERATIONS

Sample text only. A real safety data sheet gives the manufacturer's disposal considerations information here. This fictional sheet exists only to show how a binder is put together.

## 14. TRANSPORT INFORMATION

Sample text only. A real safety data sheet gives the manufacturer's transport information information here. This fictional sheet exists only to show how a binder is put together.

## 15. REGULATORY INFORMATION

Sample text only. A real safety data sheet gives the manufacturer's regulatory information information here. This fictional sheet exists only to show how a binder is put together.

## 16. OTHER INFORMATION

This fictional sample shows how a binder is put together. It is not a safety data sheet.
